

Egg Donor Solutions

Help grow a family tree.

Egg Donor Solutions matches couples struggling with infertility with compatible donors to help build their family.

We need caring, educated, young women to be egg donors and make a difference.

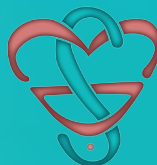

Become an Egg Donor if you are

- Female
- Aged 21-28
- In good health
- A non-smoker and not a drug user
- Height and weight proportionate with a BMI of 18-28
- Willing to undergo medical screening

You could earn **\$5,500** per cycle.
